## VIDEO SERVICES for YOUR BUSINESS

professional • timely • affordable

product presentations • corporate videos • PSAs •  
commercials • infomercials • explainers • government •  
medical • legal • real estate • YouTube and/or other  
social media channels • and more

### YOUR VISION

Whether it be the laundromat down the street, the corner family diner, or a multi million dollar corporation, every business owner wishes to be seen and for their product to be sold.

What better way to ensure your business gets the full coverage it deserves than by providing your clients with a visually stunning representation of everything that makes your business, and product, unique.

I will work with you every step of the way to ensure your company story is told properly and that you and your clients feel satisfied at having a full understanding and appreciation for whatever it is you do.

### ALLOW ME

With a full in-house, 100% U.S. - based, post-production suite, you can feel at ease knowing that you, and your business, are in very reliable and capable hands. I will take your raw footage, work closely with your company, and help to tell the story that you want to tell by crafting out a powerful finished masterpiece.

### Crunch time? No sweat.

Need to make that board meeting? Seminar? You name it. With my ultrafast turnaround times, you'll never miss a deadline again. I can easily be reached Monday through Friday, with extended availability upon request, to ensure that your pitch goes without a hitch.
